## Mobile inkjet printer

*jetStamp*<sup>®</sup>  
*graphic 970*

- Prints 1D and 2D codes, graphics and text
- Lightweight device
- Highest imprint quality

## Mobile marking: *jetStamp*<sup>®</sup> graphic 970

Handy and easy to program – the *jetStamp*<sup>®</sup> graphic 970 is an inkjet printer that marks documents or products quickly and easily in the highest print quality.

A seal in the station prevents the ink from drying out during printing pauses.

The desired print images can be created quickly and easily on the PC and transferred to the device via USB or Bluetooth.
